Residential on 0.26 Acres

NONE, Hythe, Alberta

Here is an older mobile home that doesn't show it's age. You can feel, see and smell the difference as soon as you step inside. This home has been taken care of. Two bedrooms and 1 bathroom. A bright kitchen with newer appliances and a large living room. New forced air furnace this spring. Outside it is well set up for convenience and for someone who likes to tinker. There is a nice porch and covered sitting area, a carport to keep your vehicle out of the weather, a large garden shed and a great workshop with a wood stove. This property includes the second lot beside it. A great buy for an income property or a first time home.

Built in 1976
