These new homes feature an open floor plan with vaulted ceilings, a single-car garage, a rear deck, and a fully landscaped yard, with underground sprinklers. Beautiful vinyl plank flooring adorns the main floor, complementing light-colored cabinets and white quartz countertops. A stainless steel appliance package, along with a washer and dryer, is included in the purchase. On top of the appliances is a 5yr service plan on all appliances through Furniture Villa, to ensure peace of mind. The builder has also put in place conduit for Fibre optic internet installations, allowing for Telus fibre to be hooked up for no extra cost.
