The main floor boasts 10'™ ceilings and an open-concept layout, perfect for entertaining or relaxing with family. A spacious dining area with a massive picture window lets in streams of natural light. The chef's™ kitchen features a quartz waterfall island, stainless steel appliances, a 5-burner gas cooktop, built-in oven, convection microwave, and full-height cabinetry with clever pullout drawers. The adjacent living room features a stunning rock-faced gas fireplace with custom built-ins, shelving and patio doors that open to the show-stopping backyard. A charming secondary dining nook is ideal for casual or more intimate meals.

Functional design continues at the rear entrance with a large mudroom with custom built-ins, and a discreetly placed ½ bath for guests. Every detail has been thoughtfully curated, from modern light fixtures to built-in surround sound wiring on all three levels (plus outdoors).

Upstairs, an open iron railing leads to a bright bonus space, perfect for a home office or play area. The spacious primary suite is your private retreat with a luxurious ensuite

featuring double sinks, a huge glass walk-in shower with dual heads, deep stand-alone soaker tub, private water closet, and large walk-in closet with built-ins. A conveniently located laundry room with quartz counters, sink, upper cabinets, and oversized washer/dryer makes laundry day effortless. The finished basement features 9' ceilings, large windows, and a sprawling family room with built-in entertainment console and space for a home gym. The wet bar is ready for entertaining, complete with quartz counters, sink, wine fridge, and cabinetry. A large 4th bedroom with walk-in closet and full bath makes it perfect for guests or teens.
