Residential on 0.12 Acres

Chaparral, Calgary, Alberta

****OPEN HOUSE SUNDAY JUNE 22 - 12**

PM-2 PM** This beautifully renovated home in

the heart of Chaparral offers a rare combination of luxury, functionality, and craftsmanship. Situated on a beautifully

landscaped 5,000 sq. ft. pie-shaped lot, this meticulously updated home boasts over 2,600

sq. ft. of fully developed living space with 4 bedrooms, 2.5 bathrooms, 2 living areas, a

main-level office, and modern upgrades throughout. The main floor has been completely renovated to offer a contemporary

aesthetic. Durable luxury vinyl plank flooring flows seamlessly throughout, while large rear-facing windows fill the home with natural

light from morning to evening. The open-concept design allows the kitchen to overlook both the dining and living

areasâ€”ideal for entertaining guests or keeping an eye on young children. The

stunning kitchen, renovated in 2022 by Legacy Kitchens, is a chefâ€™s dream. It features

full-height white shaker cabinets, an oversized island, quartz countertops, and a beautiful herringbone subway tile backsplash. A built-in

sideboard in the dining area adds extra storage and visual continuity. The kitchen is complete with a built-in range hood, black

stainless steel appliancesâ€”including a built-in wall oven and microwaveâ€”and an induction cooktop. Additional main-floor features include

a large office/den, a stylish 2-piece powder room, and a rear mudroom with a laundry area (new washer and dryer in 2023), offering both

convenience and organization for everyday living. Upstairs, youâ€™ll find three generously sized bedrooms with brand-new carpeting throughout. The spacious primary suite (15' x 12') includes a 4-piece ensuite with an oversized vanity, walk-in shower, soaker tub, and a large walk-in closet. Two additional bedrooms, a full bathroom, and extra storage space complete the upper level. The fully developed and freshly painted basement offers new carpeting, a large recreation/media area, and a flexible space ideal for a kidsâ€™ playroom or home gym. A fourth bedroom and rough-in plumbing for an additional bathroom make this level both functional and future-ready. The expansive pie-shaped backyard offers ample green space for kids, pets, or entertaining. With ideal southwest exposure, the yard enjoys all-day sun, perfect for relaxing, gardening, or soaking in summer evenings. The spacious deck, rebuilt in 2019, is ideal for barbecues and outdoor dining, while mature trees and thoughtful landscaping provide privacy. Pride of ownership is evident throughout, with numerous major updates including new siding, fascia, soffits, gutters, and a new roof - all completed in 2021. Additional upgrades include a central A/C to keep you cool all summer, a water heater (2019), and a water softener (2022), all contributing to year-round comfort and efficiency. Located in sought-after Chaparral, this beautifully maintained home offers upgraded family living with lake access, near parks, great schools, and amenities in one of Calgaryâ€™s most desirable lake communities.
