Incredible, quiet location. Tranquil views. A quality build.

Homes in The Murals community are rarely offered – and for good reason, it’s a wonderful place to live! This well-maintained condo backs onto a peaceful pond and showcases stunning mountain peak views from your spacious back deck – the perfect spot to enjoy your morning coffee or take in the evening sunset.

Inside, the layout is impressive, featuring three very spacious bedrooms, 2.5 bathrooms, and a bright walk-out basement that leads to an additional lower covered patio, surrounded by mature trees. Oversized windows flood the home with natural light, while gleaming hardwood floors, elegant window shutters, Up/Down Hunter Douglas blinds, and high-end appliances add a sense of refined comfort.

The generous kitchen with granite countertops is perfect for culinary adventures, and the open living room easily accommodates your furniture – an ideal space for entertaining family and friends. Upstairs, you’ll find the conveniently located laundry room right beside the bedrooms.
