Ogden, Calgary, Alberta

Builders, developers, and savvy investors â€“
THIS is the opportunity youâ€™ve been
waiting for. All bets are on
Lynnwoodâ€™Ogden becoming Calgaryâ€™s
next trending inner-city SE community, and I
believe it!

This full-sized R-CG lot is located in the
established, tree-lined enclave of Lynnwood,
just steps from future transit, top schools, and
parks. Development and Demolition Permits
are already APPROVEDâ€™so you can move
straight to construction and take full advantage
of the remaining 2025 build season.

Approved plans are in place for a 1,732 sq ft,
3-bedroom, 2.5-bath DETACHED 2-storey
home, plus an 816 sq ft LEGAL 2-bedroom
basement suite, 10-ft ceilings, a double
detached garage, and a west-facing backyard.

Recent comparable: A similar new build in
Ogden sold earlier this month for \$835,000 in
just six days. That home was over 100 sq ft
smaller, included only a 1-bedroom legal suite
(this one has 2), and lacked the premium
Lynnwood locationâ€™making this project an
exceptional opportunity to build more value,
more function, and more long-term appeal.

Whether youâ€™re planning to build and sell,
hold and rent, or live in one unit and lease the
other, this shovel-ready lot positions you for
success.

Lynnwood offers unmatched connectivity and lifestyle appeal. Just minutes from Deerfoot, Glenmore, and Stoney Trail, and close to river pathways, off-leash parks, playgrounds, public and Catholic schools, churches, express bus routes, and the future Green Line C-Train with two stations opening in 2027.

This historic area blends mature tree canopies with infill growth, a skating rink, community garden, and one of Calgary's few outdoor pools. Nearby revitalization includes Ogden Road upgrades and a redeveloped George Moss Park with tennis courts, baseball fields, and Calgary's first pump track and skatepark.

The lot sits on a quiet, family-friendly street, close to a school, across from a seniors' residence, and next to a locally owned daycare.
