This amazing property is in an awesome location for parents or grandparents with kids in sports - with ball diamonds and soccer fields directly behind you, an outdoor basketball court in the nearby park, and the recreation center and skate park only a few blocks away. Built in 2006, this home has been well cared for and has a nice layout. The front entrance is all windows, with a coat closet right beside. Beautiful oak hardwood flooring spans the main areas of this floor, including the living room which has a gas fireplace with windows flanking it, and is set up for a tv above. An arched passage will take you to the kitchen with cherry colored wood cabinets, stainless steel appliances, and a peninsula next to the dining room. The garden door here takes you to the awesome backyard. Beyond the kitchen is a laundry room and access to the garage. The primary bedroom has cork flooring, walk in shower, and a soaker tub to sooth you at the end of the day. There are also 2 more bedrooms with a 4 pc bathroom in between. Down stairs there is a large family room with space for sofas and chairs on one side. On the other side is a bar with a full set of cabinets and fridge, and plenty of room for a poker table beside it. This basement has so much space that there are 3 more bedrooms and another 4 pc bathroom. Upgrades to this home include central air conditioning and the basement is ICF block. The fully fenced backyard is your own oasis. It has a huge, tiered, west-facing deck with arbor, grass to play on,

You have a fantastic view of the ball diamonds
and a back gate to take you directly there!
