Residential on 0.19 Acres

NONE, Wembley, Alberta

Well built older home on corner lot with fenced yard and garden. This home is a little dated but ready for any changes you would like. Exterior is vinyl siding and the asphalt shingles are two years old. There are 3 bedrooms and 1 full bathroom upstairs off of the primary bedroom. There is a half bath that can also be accessed from the back entrance to home. The basement has large windows for lots of light. There is a large recreation room and a full wall of cabinet storage with sink. An attempt to create one large bedroom has been started and bathroom downstairs needs a redo. The laundry room is downstairs and access to the garage is a stairway. Garage has large door with great space and has a small heater. This would make a great starter home or an investment home. Book a showing.
