Anders South, Red Deer, Alberta

Welcome to 166 Asmundsen Avenue. This beautifully updated 2-storey home with a bonus room is tucked away on a quiet crescent in one of Red Deer's most sought-after neighborhoods. Set on a pie-shaped lot, the professionally landscaped yard offers mature trees, a spacious deck, RV parking and extra parking for guests – perfect for both relaxing and entertaining. Step inside to a bright, open-concept main floor featuring granite countertops, a stylish tile backsplash, updated lighting, and no carpet – only tile and high-end Fuzion laminate flooring (waterproof/swell protection, pet friendly, won't fade or stain and is covered under a 25 year warranty from time of purchase) throughout. The living area boasts a cozy updated gas fireplace, and the kitchen flows seamlessly to the back deck for convenient outdoor dining. A refreshed 2-piece powder room with added storage, laundry could potentially be added here, completes the main floor.

Upstairs, enjoy a spacious bonus room, a beautiful primary suite with spa-inspired ensuite and walk-in closet, two additional bedrooms (each with walk-in closets), and an updated guest bath.

The fully finished basement impresses with a built-in wet bar, a modern full bathroom, a bedroom with built-in shelving, and a custom dog wash station. Practical upgrades include custom Hunter Douglas blinds, a new A/C unit (2022), hot water heater (2021), furnace

(2010), and triple-pane windows with a 24-year transferable warranty. Additional highlights: HRV system, water softener, garage heater (2020), lifetime exterior LED lighting, updated garage attic insulation, regularly maintained ducts and vents and a gas line for the BBQ. Appliances are newer: dishwasher (6 months), microwave (2 years), and stove (3 years). The garage includes storage shelving, and new front and back doors add curb appeal and security.

This move-in ready home combines function, comfort, and style in a premier location.

Donâ€™t miss your chance to own this exceptional property!

(There is a small RV gate in the back yard, if you have a large RV the gate could be expanded and the tree removed. The fence will be repainted as soon as weather permits)
