Residential on 0.14 Acres

Huntington Hills, Calgary, Alberta

Welcome to this well-cared-for detached family home, offered for the first time by the original owners. Ideally located on a quiet street within walking distance to all levels of schools, shopping, transit, and every essential amenity, this home is ready for a new family to make it their own. The main floor features a spacious layout with a large kitchen, dining area, and bright living room. Three bedrooms complete this level, including a primary suite with a two-piece ensuite, while the other two bedrooms share a four-piece bathroom. A separate entrance leads to the developed basement which includes two additional bedrooms (neither window meet egress), 3 piece bathroom, a recreation room, large laundry room, and ample storage space—ideal for a growing family or easily convertible into a secondary suite. Outside, the private, well-maintained yard offers plenty of room to play or relax, and the large detached garage provides excellent parking and storage options. This is a rare opportunity to own a solid home in a prime location with exceptional potential in a great neighbourhood.
