Jasper Park, Edmonton, Alberta

Founded in 2020 in Edmonton, Alberta, this business has quickly earned a trusted reputation for delivering high-quality residential and commercial landscaping and snow removal services. The business began by serving a loyal base of residential clients who valued reliability and service excellence, and in 2023 expanded into commercial work, securing a multi-site agreement with a big company. Year-round servicesâ€"landscaping in the summer and snow removal in the winterâ€"provide steady revenue and customer retention, while recurring contracts and a lean operating model ensure strong margins. This turnkey opportunity includes equipment, established contracts, and proven systems, making it well-suited for an entrepreneur entering the industry or an operator looking to expand. Positioned in a growing market with clear avenues for continued growth, this business offers a scalable, profitable platform backed by a solid client base and consistent performance. *** To proceed further, all interested parties are required to sign the NDA ***
