Fully landscaped, the 0.34 Acre South-exposed plot includes a personal use dock. The iGuide Tour and Floor Plan Link, offers an enhanced experience, inside and out. This architectural masterpiece is structured across the width of the land by McDowell (built by Baywest Homes) to capture all surrounding water views, starting with full-height glass at the central foyer and lower courtyard, then additionally, from every principal room on all 3 levels. Both dominant floors are cleverly separated into sleeping suites and full bathrooms on one side, and common use areas on the other. Every space is tied together by stylish finishings that blend timeless elegance and a contemporary flair. Enjoy this retreat year-round, with 2 upper balcony decks (1 covered), and 4 direct exits to grade-level patio terraces (2 covered), plus beautiful pergola seating location by the water. The open Living and Dining spaces are set off by a striking Gourmet-quality eat-in Kitchen, with a massive Porcelain Island (seats 4 comfortably), a walk-through Butler's Pantry (has a drawer Microwave and Beverage Cooler), a 6 burner Gas top Double-Range, Built-in Hood, paneled Fridge, Freezer and

Dishwasher. The Primary Suite is a private space, with its own balcony, a vestibule Study/Dressing area, Walk-in Closet and 6 piece Ensuite completed by accessible flush-tiled shower. The upper Bonus Loft has its own 2-piece Bath and customized side-bar with another convenient chiller. The developed 1990 sq.ft. of the lower level has equally stunning water views, from a Rec/Theatre, Gym, Wet Bar/Wine Room gathering space, and two Bedrooms.
