Welcome to this beautifully updated family home, ideally located close to parks, schools, and walking trails. Step inside to a grand entrance with high ceilings and a front sitting area that can double as a formal dining space. The main level features an open floor plan filled with natural light, highlighted by a cozy gas fireplace and large windows overlooking the yard. The renovated kitchen (2018) is a standout, offering an island with eating bar, pantry, soft-close cabinets and drawers, and four stainless steel appliances – including a brand-new stove. A convenient half bath and laundry room off the garage add to the functionality of the main floor. Upstairs, the spacious primary suite includes a huge window, a generous walk-in closet, and a relaxing ensuite with his & hers sinks, a large soaker tub, and a separate shower. Two additional good-sized bedrooms and a full bathroom with a deep tub complete the upper level.

The fully finished basement, also renovated in 2018, offers fantastic extra living space with a large family room, two more bedrooms, and a 3-piece bathroom featuring a tiled shower. The backyard is truly stunning – enjoy mature trees, a shed, dog run, afternoon shade, and a large deck built in 2023. Additional recent updates include new shingles (2023) and a new front deck (2024). A well-maintained, move-in-ready home in a great location – this one is a must-see!
